**[Name of Addressee]
[Designation]
[Address of the examination conducting body]**

Subject: Permission for deployment of low powered jammers in examination halls for the examination to be conducted by [Name of examination conducting body].

Sir/Madam,

I am directed to refer to your **[Letter Number]., [Dated]**, on the subject mentioned above.

2. Approval of the Secretary (Security), Cabinet Secretariat, is hereby conveyed for deployment of low powered jammers, through **[Name of vendor (M/s BEL or M/s ECIL)]**, in the examination to be conducted by **[Name of examination conducting body]** in **[Address of examination centre if the examination is going to be conducted in single centre]** on **[Date(s) of examination]**, as per the details furnished in the letter under reference, subject to the following:

- (i) The jammer models deployed will be as per approved model of **[Name of vendor (M/s BEL or M/s ECIL)]** (details uploaded at www.cabsec.gov.in/circulars/policyofjammer).
- (ii) Adequate arrangements should be made for safe custody of the jammers during its deployment in examination centers. Each jammer deployed at the examination centers, as indicated in Annexures of the letter under reference, will be accounted for and any discrepancy in this regard will be reported immediately to the appropriate law enforcement agency and to the Office of Secretary (Security).
- (iii) While deploying the jammers it will be ensured by **[Name of examination conducting body]** that the jammers do not interfere with existing mobile communication network outside examination center

3. An effective coordination mechanism with **[Name of vendor (M/s BEL or M/s ECIL)]** may be established well in advance for finalizing various details relating to the deployment of jammers.

4. Performance of all jammers at each examination center may be verified before commencement of examination as effectiveness of the jammers depends on various factors like its power output, signal strength of BTS, traffic load on BTS at a given point of time, distance of jammer from the BTS, sensitivity of receiver, terrain, topography, line of sight etc.

5. It may kindly be ensured that all WiFi and Bluetooth devices within the vicinity of examination halls are switched off during operation of the jammers.

Yours faithfully,
